BIRDS OF KITSAP COUNTY, WA

DATE: 2016-2020

AREA(S): 6596 NE Platte Vista Dr

Observer(s): PH

SEASONS

Spring = March - May
Summer = June & July
Fall = August - November
Winter = December - February

STATUS

C = Common (seen in proper habitat)
U = Unusual (see on regular basis)
O = Occasional (irregular occurrence)
R = Rare (rarely seen)
A = Accidental (seen less than 5 times)

* = breeding
? = possibly breeding
(i) = Introduced

taxonomic order followed is the 3rd edition of the National Geographic field guide

Compiled by
Nancy Ladenberger
for the

Kitsap Audubon Society
PO Box 961

Poulsbo, WA 98370
